

Action Scrub

Heavy Duty Degreaser and Floor Cleaner

5 Litres - P205

25 Litres - P207

200 Litres - P208

(MPI Approved C31- All animal product except dairy)
(MPI Approved for use in Farm Dairies & Dairy Processing)

DESCRIPTION:

Action Scrub has been formulated for use in mechanical cleaning equipment, but it is equally effective for manual mop & bucket application. It emulsifies dirt and holds in suspension so is not redeposited. Action Scrub is odourless, soluble in water and **biodegradable**.

DIRECTIONS:

Manual Mop and Bucket: Dilute 1 part Action Scrub to 30 parts water.

Automatic Scrubbers & Pressure Washers: Dilute 1 part Action Scrub to 20 parts (preferably hot) water.

Cold Dip Tasks: Dilute 1 part Action Scrub to 2 parts water.

Higher dilutions of up to 1 part Action Scrub and 80 parts water are effective depending on soilage. When using in food establishments, residues must be rinsed with potable water.

CERTIFICATION: MPI Approved C31- All animal product except dairy

PHYSICAL AND CHEMICAL PROPERTIES:

Appearance:	Clear Orange
Odour:	Odourless
Specific Gravity:	1.00
pH:	11.5 +/- 0.5

FIRST AID MEASURES:

Ingestion:

Immediately rinse mouth with water. If swallowed do not induce vomiting. Give water to drink. Never give anything by mouth to an unconscious person. Seek immediate medical attention.

Eye Contact:

Immediately flush eyes with large amounts of water for at least 15 minutes while holding eyelids open. Transport to the nearest medical facility for additional treatment. Do not rub eyes or keep eyes closed.

Skin Contact:

Remove contaminated clothing. Flush exposed area with water and follow by washing with soap if available.

Inhalation:

Remove the affected person out to a ventilated area. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Seek medical attention.
