

Advance Nature Carpet Shampoo

Carpet Shampoo: Pre-Spray & Extraction Detergent is a highly effective cleaner, emulsifier and degreaser for all carpet fibres when used as pre-spray or extraction solution. Its natural ingredients ensure a safe environment with clean, soft and fresh carpet.

Features and Benefits

-  Natural & Biodegradable
-  Non-Hazardous
-  NZFSA Approved C 32 (all animal products except dairy)
-  Proven Cleaning Power
-  Environmentally Friendly
-  Made From Renewable Resources

Directions

Always test on an inconspicuous area to ensure colour fastness prior to application.

Carpet Pre-spray:

Dilute 1 part Advance Nature Carpet Shampoo to 20 parts water in spray tank (approx. 500ml to 10 litres). Pre-spray two or three rooms ahead using a pressure sprayer with fan jet. Rinse with warm water in portable or truck mount extraction machine.

Extraction Cleaning (optional):

Dilute 1 part Advance Nature Carpet Shampoo to 50 parts hot water in machine solution tank.

Spot Cleaning:

Dilute 1 part Advance Nature Carpet Shampoo to 5 parts hot water (100ml to 500ml hot water), lightly mist over soiled area and 'work' the stain toward centre using white cotton cloth and rinse.

All cleaners have an effect on the environment. Always use the correct dose for maximum efficiency and minimum environmental impact.

Chemical Data

Physical description

Appearance	Clear yellow liquid
Odour	Orange
pH	9 +/- .5
Viscosity	Water Thin
Solidity	
Specific gravity	
Boiling point	90 c
