

Eliminate Air Freshener

5 Litres
20 Litres

- PXSELIM5
- PXSELIM20

DESCRIPTION:

Eliminate Air Freshener is a high strength, ready to use deodorant that neutralises odours instantly and effectively. Eliminate leaves a beautiful floral fragrance making the area smell crisp and clean. It is suitable for use in motels, hotels, restaurants, household and commercial premises, on tobacco smells, faeces, food waste, biological waste and mould odours. Eliminate also contains anti-microbial properties that work continually on odours.

DIRECTIONS:

Spray Eliminate into the air or onto the affected surface using a spray bottle or fogging machine. Eliminate reacts instantly with noxious odours, leaving the atmosphere smelling clean.

PHYSICAL AND CHEMICAL PROPERTIES:

Appetence:	Clear Green Liquid
Odour:	Sweet Odour
Specific Gravity:	1.00
pH:	7-/+.5

FIRST AID MEASURES:

Ingestion:

Immediately rinse mouth with water. If swallowed do not induce vomiting. Give water to drink. Seek immediate medical attention.

Eye Contact:

Immediately flush eyes with large amounts of water for at least 15 minutes while holding eyelids open. Transport to the nearest medical facility for additional treatment.

Skin Contact:

Remove contaminated clothing. Flush exposed area with water and follow by washing with soap if available.

Inhalation:

If inhaled, remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give Oxygen. Get medical help.
