

Nature's Solution

Carpet Spotter and Odour Neutraliser

5 Litres

- N165

DESCRIPTION:

Nature's Solution is a spot / stain remover and odour neutraliser. A super concentrated multi-functional bio-enzymatic cleaner, carpet spotter and deodoriser. This unique product contains multi-strains of bacteria, chelating agents, wetting agents, penetrants and a proprietary odour counteractant system. This product also makes an excellent stain remover and deodoriser for pet stains, blood, soft drinks, urine and other organic matter.

Nature's solution can be used as a spotter, pre-spray and extraction cleaner. Nature's solution is aerobically readily **biodegradable**.

DIRECTIONS:

Carpet Extraction Cleaner.

Dilute 1 part Natures Solution to 10 Parts water.

Presolubiliser

Dilute 1 Part Natures Solution to 5 Parts water.

Spotter

Dilute 1 Part Natures Solution to 3 Parts water.

Toilet bowls and urinals:

Apply liberally under rim and on uric acid deposits. Stand for as long as possible. Agitate with a bowl brush or mop and flush away.

To prevent mineral stains, pour 250mL into toilet tank and allow to stand overnight. Flush twice in the morning. Repeat weekly.

Deodorisation:

Dilute up to 10 parts. Spray.

PHYSICAL AND CHEMICAL PROPERTIES:

Appearance:	White emulsion
Odour:	Significant Odour
Specific Gravity:	1.00
pH:	7.5 +/- 0.5

FIRST AID MEASURES:

Ingestion:

Immediately rinse mouth with water. If swallowed do not induce vomiting. Give water to drink. Never give anything by mouth to an unconscious person. Seek immediate medical attention.

Eye Contact:

Immediately flush eyes with large amounts of water for at least 15 minutes while holding eyelids open. Transport to the nearest medical facility for additional treatment. Do not rub eyes or keep eyes closed.

Skin Contact:

Remove contaminated clothing. Flush exposed area with water and follow by washing with soap if available.

Inhalation:

Remove the affected person out to a ventilated area. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Seek medical attention.
