

# Pedigree

## Positive Emulsion degreasant cleanser

5 Litres	- P325
25 Litres	- P327
200 Litres	- P328

(MPI Approved C31- All products except dairy)

### DESCRIPTION:

Pedigree is a non-corrosive degreaser. It's suitable for use in automatic scrubbing machines, has low foam, & even works in salt water. Pedigree is non-flammable, odour free, & safe on most surfaces including paint work & aluminium. The substance is aerobically readily **biodegradable**.

### DIRECTIONS:

Apply with a portable sprayer; drum pump, mop or soft brush or use through an automatic scrubbing machine. After agitation rinse with clean water. When cleaning vehicles & machinery, apply pedigree solution from bottom to top of work, then rinse from top downward.

#### Light scrubbing:

Dilute 1:40 or 1:50 with water.

#### General industrial cleaning:

Dilute 1:20 with water. May be used neat if necessary.

#### Engine cleaning:

Dilute 1:8 with water

### PHYSICAL AND CHEMICAL PROPERTIES:

<b>Appearance:</b>	Clear light blue
<b>Odour:</b>	Odourless
<b>Specific Gravity:</b>	1.00
<b>PH:</b>	9.5 +/- 0.5

### FIRST AID MEASURES:

#### Ingestion:

Immediately rinse mouth with water. If swallowed do not induce vomiting. Give water to drink. Never give anything by mouth to an unconscious person. Seek immediate medical attention.

#### Eye Contact:

Immediately flush eyes with large amounts of water for at least 15 minutes while holding eyelids open. Transport to the nearest medical facility for additional treatment. Do not rub eyes or keep eyes closed.

#### Skin Contact:

Remove contaminated clothing. Flush exposed area with water and follow by washing with soap if available.

#### Inhalation:

Remove the affected person out to a ventilated area. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Seek medical attention.
