

Prepsol - Prepaint Solvent

5 Litres
20 Litres

- PXSPREP5
- PXSPREP20

DESCRIPTION:

Prepsol is a prepaint solvent used on spray paint guns, cups and other paint accessories to loosen paint before placing equipment into a paint gun washer. It is also used for rinsing the equipment after washing and then leaving to evaporate.

DIRECTIONS:

Apply liberally to affected surface and agitate to remove hardened paint. Rinse again and let dry.

PHYSICAL AND CHEMICAL PROPERTIES:

Appearance:	Colourless Odour
Odour:	Solvent Odour
Specific Gravity:	0.70
pH:	N/A

FIRST AID MEASURES:

Ingestion:

Immediately rinse mouth with water. If swallowed do not induce vomiting. Give water to drink. Seek immediate medical attention.

Eye Contact:

Immediately flush eyes with large amounts of water for at least 15 minutes while holding eyelids open. Transport to the nearest medical facility for additional treatment.

Skin Contact:

Remove contaminated clothing. Flush exposed area with water and follow by washing with soap if available.

Inhalation:

If inhaled, remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give Oxygen. Get medical help.
