

Ranger

Heavy Duty Oven, Grill & Range Cleaner

5 Litres - P135

(MPI Approved C31- All products except dairy)

DESCRIPTION:

Ranger is excellent in removing tough baked on residue. It is suitable for use on ovens, grills and range hoods. For even better results, heat the surface before application. The substance is aerobically readily biodegradable

DIRECTIONS:

Oven, Grill and Range Hood Cleaning:

Spray on surface. After 2-3 minutes, scrape off residue and wipe surface clean. Rinse with water and/or neutralise with mild vinegar.

Note:

For painted & other surfaces, dilute 10% with water before using. Test before use.
(All food contact surfaces must be rinsed with portable water after use)

CERTIFICATION:

(MPI Approved C31- All products except dairy)

PHYSICAL AND CHEMICAL PROPERTIES:

Appearance:	Clear rusty liquid
Odour:	Odourless
Specific Gravity:	1.30
pH:	14

FIRST AID MEASURES:

Ingestion:

Immediately rinse mouth with water. If swallowed do not induce vomiting. Give water to drink. Never give anything by mouth to an unconscious person. Seek immediate medical attention.

Eye Contact:

Immediately flush eyes with large amounts of water for at least 15 minutes while holding eyelids open. Transport to the nearest medical facility for additional treatment. Do not rub eyes or keep eyes closed.

Skin Contact:

Remove contaminated clothing. Flush exposed area with water and follow by washing with soap if available.

Inhalation:

Remove the affected person out to a ventilated area. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Seek medical attention.
