

Sparkle

Premium Rinse Aid for Dishwashers

5 Litres - P561

20 Litres - P562

DESCRIPTION:

Sparkle is a premium rinse-aid for dishwashers. It is added to the rinse cycle of dishwashing machines to assist rapid drying and reduce spotting leaving dishes sparkling clean. Sparkle controls scale formation in the rinse cycle and reduces foam in the wash tank.

DIRECTIONS:

Sparkle is dispensed via an Advance electronic feeder attached to commercial machines. With domestic machines, fill the dispenser as required.

Usage: Add 2-3ml per cycle. Sparkle will be low foaming at a temperature over 40C.

PHYSICAL AND CHEMICAL PROPERTIES:

Appearance:	Clear blue
Odour:	Odourless
Specific Gravity:	1.00
pH:	7.5 +/- 0.5

FIRST AID MEASURES:

Ingestion:

Immediately rinse mouth with water. If swallowed do not induce vomiting. Give water to drink. Never give anything by mouth to an unconscious person. Seek immediate medical attention.

Eye Contact:

Immediately flush eyes with large amounts of water for at least 15 minutes while holding eyelids open. Transport to the nearest medical facility for additional treatment. Do not rub eyes or keep eyes closed.

Skin Contact:

Remove contaminated clothing. Flush exposed area with water and follow by washing with soap if available.

Inhalation:

Remove the affected person out to a ventilated area. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Seek medical attention.
