Brilliant Gloss, Ultra Wear Floor Sealer / Finish

5 Litres - N105
P11200 - N108

DESCRIPTION:

The proprietary blend of synergistic polymers in Super Vision provide uncompromised benefits of brilliance and wearability. The sophisticated integrated components allow for rapid drying, enhanced levelling and superior reparability.

DIRECTIONS:

Floor Preparation: Using Flash Speed Floor Stripper, strip the floor of old finish & dirt build up. Ensure that detailing is done & floor is properly rinsed and dried.

Application: After stripping, if desired, one or two coats of Prime Seal stain resistant sealer may be used, prior to finish application. Using a clean mop or finish applicator, apply a thin uniform coat of Super Vision. Allow to dry for a minimum of 20 minutes after each coat. Do not apply more than 4 coats in a 24 hour period. Floor should be dry before traffic is allowed in area.

Buffing or Burnishing: This is an ideal product for use with either high or low speed machines. Prior to buffing or burnishing the floor surface should be cleaned with Clean Shine.

Maintenance: Wash floor with Clean Shine neutral floor cleaner & buff or burnish to maintain.

PHYSICAL AND CHEMICAL PROPERTIES:

Appearance:	Milky Emulsion
Odour:	Odourless
Specific Gravity:	1.00
pH:	7.5 + / - 0.5

FIRST AID MEASURES:

Ingestion

Immediately rinse mouth with water. If swallowed do not induce vomiting. Give water to drink. Never give anything by mouth to an unconscious person. Seek immediate medical aid immediately.

Eye Contact

Immediately flush eyes with large amounts of water for at least 15 minutes while holding eyelids open. Transport to the nearest medical facility for additional treatment. Do not rub eyes or keep eyes closed

Skin Contact

Remove contaminated clothing. Flush exposed area with water and follow by washing with soap if available.

Inhalation

Remove the effected person out to a ventilated area. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Seek medical attention.
