NILFISK

Help Nilfisk raise cancer research funds for BCFNZ

VP300 HEPA PINK sold in October and November 2024, Nilfisk donates \$30 to [Breast Cancer Foundation NZ \(BCFNZ\)](#).

Your donation moves BCFNZ one step closer to achieving their vision of zero deaths from breast cancer, by pushing new frontiers in early detection, treatment and support:

Educating all Kiwis about breast awareness, screening and risks.

Encouraging the development and testing of new technologies for early detection.

Supporting clinical trials, and lobbying for wider access to trials of new drugs.

Urging the government to introduce powerful new drugs faster.

Funding world-class Kiwi researchers to develop new treatments, including a vaccine that could prevent cancers spreading beyond the breast.
