

Probiotic Multi- Purpose Cleaner

5 Litres

- P1400

DESCRIPTION:

Probiotic Multi-Surface Cleaner is supercharged with the power of beneficial bacteria to penetrate deep, delivering exceptional cleaning performance, degreasing, and sanitising action. It works continuously, reaching into cracks and crevices to provide a long-lasting clean, reducing harmful microbes and leaving surfaces spotless and hygienic.

With its refreshing fragrance, environmentally friendly formula and long-lasting cleaning action, it's perfect for a variety of areas, including handles, doorknobs, switches, countertops, sinks, bathtubs, sealed floors, sealed stone and granite, upholstery, and drapes.

MPI Approved C 32 (All animal product except dairy)

DIRECTIONS:

Heavy Duty Degreasing: 100ml to 1L water or 2 cups in 5L of water (half a bucket).
