

# Probiotic Odour Neutraliser

5 Litres

- P1420

## DESCRIPTION:

Probiotic Odour Neutraliser eliminates odours at its source with a powerful probiotic formula that breaks down odour-causing organic matter, providing continuous, long-lasting odour control. While a specialized neutraliser traps and absorbs remaining odours without masking, leaving the area smelling fresh.

It effectively eliminates malodours from a variety of sources including tobacco, alcohol, decaying vegetable matter, mould, mildew, faeces, urine, food waste, fermentations and biological waste. This non-toxic, biodegradable formula is safe for use around children, pets, and the elderly.

MPI Approved C 32 (All animal product except dairy)

## APPLICATION

Toilet, kitchen, drains, pet areas, waste containers, portable loos, locker rooms, garbage disposal areas, lobby areas, carpets, upholstery, fabrics, vehicles, boats, and RVs, any area where unpleasant odours persist.

## DIRECTIONS:

Dilute 1 part to 10 parts water. Spray directly onto the offending odour source.

## PHYSICAL AND CHEMICAL PROPERTIES:

Appearance	: Clear Yellowish
Physical State	: Liquid
Odour	: Fresh flower
pH	: 7.0± 0.5
Solubility	: Soluble in water
Boiling point	: > 100 deg
Specific Gravity	: 1.000 Approx

## FIRST AID MEASURES:

### Ingestion:

Rinse mouth. Immediately drink 1 glass of water. Never give anything by mouth to an unconscious person. Do NOT induce vomiting. Keep at rest. Immediately call a POISON CENTRE, doctor, or physician. Get medical attention or advice if you feel unwell.
