

Hygiea Scrubs Fabric Softener

5L P1355
20L P1360

DESCRIPTION:

Hygiea Scrubs **Fabric Softener** is a fabric softening detergent liquid specially formulated for use in commercial and On-Premises Laundry-(OPL) System.

It leaves fabric soft, fluffy, and smelling fresh.

The product is suitable for application on most types of fabric and can be manually or auto dosed. Hygiea Scrubs **Fabric Softener** is a fabric conditioner based on cationic quaternary ammonium salts.

The product has also been formulated with perfume, which leaves a pleasant smell on fabric. It can be used for most types of fabrics but is particularly effective textured fabrics such as towels. It also imparts a smooth, silky feel on woven or flat knitted fabric.

MPI Approved C33

MPI Approved for use in Farm Dairies and Dairy Processing

FIRST AID MEASURES:

Ingestion:

Immediately rinse mouth with water. If swallowed do not induce vomiting. Give water to drink. Never give anything by mouth to an unconscious person. Seek immediate medical attention.

Eye Contact:

Immediately flush eyes with large amounts of water for at least 15 minutes while holding eyelids open. Transport to the nearest medical facility for additional treatment. Do not rub eyes or keep eyes closed.

Skin Contact:

Remove contaminated clothing. Flush exposed area with water and follow by washing with soap if available.

Inhalation:

Remove the affected person out to a ventilated area. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Seek medical attention.

Safe handling and storage information

Store in original closed containers or (where applicable) in an approved bulk tank, away from extremes of temperatures. Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet.

This product is compatible with all Hygiea Scrubs Laundry products.
